*Making the Message of the Gospel Crystal Clear*

Celebrating 30 Years in Ministry!

SUMMER 2024 NEWSLETTER

**First things first - Crystal and I want to thank you for your ongoing support in prayer; if anything moves the hand of God, it's prayer!**

**And when on the front line, you do need prayer support. Without that prayer support you are not very effective. The fruit we see tells us that we have great prayer behind us! Thank you!**

**Also, we want to thank those who give to our ministry on an ongoing basis. It makes a big difference. Your support enables us to go to many places that cannot give. Everyone needs Jesus!**

*May the Lord Bless you, Herb & Crystal Taylor*

One of the greatest blessings is seeing many people young and old of many walks in life give their hearts to Jesus, what a blessing that is and with your support you are part of that. At one time we showed pictures of our new converts but now we can only show their pictures if we get their permission. Photos left to right; Major Bob and Cassie Kean in NFL- we gave them these hats 20 years ago and they surprised us and everyone wearing them, it was a blast! **T**he First part of this year, we were involved with the Alpha Bible study group hosted by Al and Deb Lowrie in Red Deer. We attended when we were home, and not travelling and ministering out of town. We loved the bible study and the rich fellowship we had there.

In March, we were invited to Rhode Island to do ministry at Trinity Assembly of God Church where we have been many times in the past. It was a wonderful time of ministry, having a great reunion with friends we have not seen for years. The people in this church have been, and continue to be, a great encouragement to us in so many ways. There were a number of Salvations and rededication's there that Sunday morning. We do look forward to a return visit.

**I**n April, we started our 30th Anniversary Celebration Tour across Canada! It all really started in Williams Lake, BC. We travelled across Canada from there, in our vehicle, all the way to Newfoundland, ministering along the way almost in every province. The only province we did not minister in was Quebec - next time we will, Lord willing.

The first part of our trip was very busy; we ministered 21 times in 32 days, mostly hitting small towns, many in Saskatchewan. By the time we landed in Nova Scotia to stay with with Crystal's family, we were completely exhausted. But, we were able to take a breather there until the next leg of our tour.

It was a great tour, seeing many saved and many more rededicating their lives to Christ. Crystal sang with a real anointing! When we had outreach services, I gave my testimony most times, and when speaking in the churches to Christians, I mainly spoke on revival with a challenge for people to respond. Many times we would give altar calls in our services to give people an opportunity to respond to the message to exercise their faith. The Holy Spirit was moving and we saw incredible responses.
