Making the Message of the Gospel Crystal Clear

Summer 2026 Newsletter

"But those who wait upon the Lord shall renew their strength; they shall mount up with wings like eagles, they shall run and not be weary, they shall walk and not faint." Isaiah 40:31

Greetings in Jesus' Name! This is our 32nd year of full time ministry and it has gone by so fast! Travelling all over North America and beyond, it has been exciting and never dull - a great adventure and a great challenge. We have so many wonderful stories and experiences, seeing God move in the lives of thousands of people in a variety of ways. Other things, in retrospect, were very difficult, but resulted in necessary times of growth - preparing us for the future.

Normally, this time of year we would be on the road preaching and singing in any number of places and settings. However, ministry comes in a variety of ways. While home this quarter, we have done some ministry, but different than in the past - much more home and hospital visitation, and hospice ministry.

We are also getting ready for the 32nd fundraiser on September 12. Please keep that in prayer as we need more help in a number of areas.

Someone asked us, "Don't you guys ever get tired?" Read the verse again at the top - It works! Praise the Lord!

Love & Prayers,

Herb & Crystal Taylor

As a young believer I knew I had the gift of personal evangelism, so from time to time the Lord has used us to lead people, one on one, to the Lord. Two weeks ago, a friend told me about a lady that was in the hospital dying of cancer whom I prayed for last year, with her husband present. I had laid hands on her, anointed her with oil and asked the Lord to heal her. Now, hearing of her current state, I asked this friend if she had ever thought of talking to her and to leading her to Christ, and she said no. Right away the Lord pricked my heart, and I knew I was supposed to go and visit her. The next day the Lord spoke to me and said go see her and lead her to Jesus.

To make a long story short, I was able to walk into her room, wake her, and a few minutes later she gave her heart to Jesus. I'm confident she was sincere when she invited Christ into her life. Glory to God!

Lilly passed away on a Tuesday evening with her family present. I have been asked to take part in her funeral. So, in the middle of a Buddhist funeral, I'll be talking about Jesus. I'll share how she gave her heart to Jesus. This is an example of what we've been doing while we are home – doing whatever and however He directs us, through the power of the Holy Spirit.

at the Westerner in Red Deer

At the end of June, Crystal flew to Nova Scotia to be with family, and to bury her sister, Heather. She said it was a wonderful grave-side service with many family and friends, a great time for ministry.

One of my favourite things to do when we are home is attend Balmoral's Wednesday morning, men's prayer meeting with some awesome brothers who dearly love the Lord. This is a refreshing and powerful time of prayer and faith building, and the fellowship is absolutely wonderful!

We have been getting ready for some intense ministry during the month of August, doing camp meetings in Saskatchewan and British Columbia. The last three months were probably even busier than I made it out to be. Ask Crystal, lol!

We have needed to do more maintenance on our ministry vehicles, so we are ready to go when called upon. We are healthy and excited for what God has in store for us and we are looking forward to our next appointment. We were asked to do the Cowboy Church at the Westerner Exhibition in Red Deer, AB in mid-July, with preaching and singing.

Crystal and I have been working on her new CD called, "Over The Years," a selection of 24 songs from 12 albums. We will be going up to Edmonton to talk to the CD manufacturer this week. They will be \$25 each or 3/\$50.
